

UNIVERSAL PEDESTAL MOUNTING POSTS AND STAKES

OVERVIEW

The Plugin Optics offers several mounting posts and stakes for our 8-inch, 10-inch and 12-inch pedestals. Our 42-inch, 2 piece, Universal Pedestal Stake provides a versatile and rigid mounting place for your fiber optic pedestal equipment. With adjustment heights of 22" to 42," standard 1" square hole spacing along the bottom and narrow mounting channel slots near the top this pedestal stake can be used in a multitude of difference pedestal applications. Our 33-inch mounting post offers a rigid mounting post for all of your mounting panel needs. The 42-inch ground stake offers a secure ground stable stake for applications that require deeper ground depth.
